## NO N-U-T GRASS

U. S. DEPARTMENT OF AGRICULTURE,

WASHINGTON, D. C.

BUREAU OF PLANT INDUSTRY  
Fruit and Vegetable Crops and Diseases

M. R. N.

GPO 8-3591

U. S. Department of Agriculture  
MAR 4 1940

All of our plants are grown in pots and are not merely rooted plants, but have been in pots all this season and are ready to plant when you get them. Absolutely no Nut Grass in our plants. Neither do we bed any plants where there is any Nut Grass. We do not have any in our fields.

300 hundred or more of any one variety at the thousand rate, but not assorted lots take the thousand rate.

# PYRACANTHA ATALANTIODES U. S. D. A.

No. 80408

Upright grower with crimson berries that stay on the plant until in March, one of the very best that you can grow, has blooms in the spring like bridal wreath..

When you sell your customer one of these plants with the berries on it, all of the neighbors will be wanting some just like it.

We have these plants well established in 2 in. pots, some few of these have berries on them now.—\$10.00 per 100,—\$100.00 per 1000.

## **DWARF POMEGRANATE U. S. D. A.**

**No. 43793**

Has double red blooms about the size of a silver dollar and does not winter kill. We have these plants in 2 inch pots ready for the field \$8.00 per 100.

### **SPECIALS, RED HOT**

Ramsey 16-18' you ball and burlap .....	\$3.00
Red Cedar Natural 12 ft. up as above .....	\$5.00

and many other items in large grades that we want to move out that we are making special prices on. Bring your truck and men and get these before they are all gone. Can drive right to the plants and load up on these bargains.

Come any time you wish, as the boss is on the job, you do not have to trade with the hired hand here.

# HENDRIX & GLASS

Farmersville, Texas

We have been growing Liners in Pots longer than any one in Texas. Come and get the plants while you are here. Ask your neighbor, he knows our plants.
